

PREP GRIDDERS TO OPEN CAMPAIGNS

FATHER-SON BASEBALL TILT SLATED SATURDAY

Father and Son Baseball Game will be held Saturday at Perry School playground. The contest will begin at 12:30 p.m. with hot dogs and other refreshments being sold during the game. The refreshments are being donated by Perry School parents. There will be three groups of baseball games going on at different diamonds. A show within its self will be the Mother's umpiring. Joe Grontham will be the umpire-in-chief. William Holt, chairman of planning this year's game is giving a permanent trophy which will be inscribed each year with the winner's name.

Tartars Ready For Encounter With Ventura

By BILL SCHIPPER

Lifting the curtain of the 1957 football season tomorrow night Torrance High's varsity pigskinners will be out to make it two in a row over the visiting Ventura Cougars—the only team to fall victim to last year's Tartar eleven. Kick-off time is 8 p.m. in the Tartar stadium.

Ventura Head Coach Jack Smith brings his team in a slight favorite as the Cougars are rated as one of the league powers. Last Friday night, in their first fray, they took a close 7-6 win over Arroyo Grande who were previously tabbed to take the San Luis Obispo loop title.

The Tartars are again picked to wind up in the league cellar, and Coaches Dick Turner and Irwin Kasten, in an effort to move the team in the standings, have installed a new offensive. The Stanford T, a prototype offensive that calls for plenty of passing, speed and deception will be used.

Returning backfield stars Bobby Grajeda and Roger Reed will fill the halfback positions with a quartet of Tartars shooting for the quarterback slot. Getting the starting nod as signal caller for tomorrow night's fracas is Ronnie Veres, who'll be backed up by Bob Cosby, Jim Hester and Steve Smith.

Mike Gonta and Harold Davis at ends with Butch White at flankerback will be on hand to gather in their aeriels, to give the Tartar eleven a mobile and varied attack.

The team's main strength will be up front with a gargantuan-sized line to halt the Cougar's speedy backs. Captain Ken Hall and Danny White will patrol the guard area and Steve Foster and Ken Pevic will be at tackles. Jim Wallace will be at center.

STARTING LINE-UPS:

TORRANCE		VENTURA	
Mike Gonta	LT	Pat Wynn	LT
Steve Foster	LG	Jack Gordon	LG
Ken Hall	C	Mike Brandley	C
Jim Wallace	RG	Gary Heater	RG
Danny White	RT	Joe Flores	RT
Ken Pevic	RE	Jim Corbett	RE
Harold Davis	LB	Bob Bishop	LB
Bobby Grajeda	RB	Jon Halton	RB
Roger Reed	LB	Dwyle Keith	LB
Butch White	RE	Jim Cosby	RE
		Benny Davis	RE

Saxons-Rams to Clash in 1957 Start Saturday

By JERRY REYNOLDS

North High's spirited Saxon Varsity will open its third season of football Saturday at the Torrance High Field with the Millikan High Rams of Long Beach providing the locals with their first clash.

Millikan boasts plenty of speed and one of the best backs in the league, Dave Grott, who last year played in the CIF playoffs. Millikan will probably be the toughest team the Saxons will face this year. The Rams won seven games in eight starts during their initial season last year, while the Saxons have dropped 16 straight games.

Despite a couple of injuries the Northern squad is in fine shape for the opener. On the injured list are Quarterback Frank Moren and Lefthalf Carlos Norris.

"I hope we can minimize mistakes—if we can get two breaks we will win the game," stated Coach Bob Shoup. Coach Shoup also commended the team, declaring:

"The team shows a lot of desire and hustle. We'll be tough on defense."

Probable starting line-ups will be:

SAXONS		RAMS	
8 Charles Webb	LT	14 Steve Harper	LT
29 Ronald Hayes	LG	21 Clark Sandberg	LG
10 Stan Pittenger	C	20 Bob Morgan	C
25 Bob Morgan	RG	28 Dennis Berry	RG
28 Dennis Berry	RT	23 Jim Whitley	RT
23 Jim Whitley	RE	7 Gil Garcia	LB
7 Gil Garcia	LB	17 Bob Romero	RB
17 Bob Romero	RB	15 Eddie Jurequi	RE

Newly formed Jayvee team, coached by Don Garrison and Mel Nygen will journey to Millikan this afternoon for their season opener. The Bees will go to Millikan tomorrow.

Local Alley to Host Sectional World Tourney

Local fans will get a chance to see one of Southern California's top bowlers in action at the Torrance Bowl-O-Drome Oct. 12, 26; Nov. 9 and 23.

Sectional qualifying rounds will be held on the local lanes for the Men's All-Star Eliminations. Winners will aim for the world championship battle to be held in Minneapolis, Minn.

The local contest will be staged in cooperation with the Southern California Bowling Proprietors' Assn. and games will start at 8 p.m. on all four nights.

Other action at the local alley last week saw the Pin Splitters and the All-Kats tie 6-2 in the Ryan Aircraft League. B. Copley took men's series honors with a 589 while the distaff side was upheld by G. Harrington with a 591.

R. Donkle led the long list of Shell Chemical Scratch League players with a high series of 575 averaging 191. In its third week, the league has five teams tied for top honors.

W. Baxley recorded a 658 series to lead the Men's Commercial Handicap while F. Perkins took game honors with 270.

Little League Gives Awards

North Torrance Little League will hold its "Presentation of Players' Awards" meeting tomorrow, 8 p.m. in the Crenshaw School cafeteria.

Officers of the Little League for the coming season will be elected Oct. 11, at 8 p.m. at a meeting in the Crenshaw School. Parents of players who hold membership cards are requested to attend the meeting.

Basketball School

Harbor Sports Office will conduct a Basketball Official School, 435 Neptune Ave., Wilmington, starting Oct. 7 at 7:30 p.m.

The school is open to all and will meet Oct. 14 and Oct. 21 also. Those interested should report Oct. 7.

SILENT OUTBOARDING for 1958 is offered by Evinrude Motors in its new four-cylinder 50 hp Starline, first V-motor in the outboard field. Starline (left) is ideal motor for large runabouts and cruisers. Ultra quiet 35 hp Lark (right) incorporates many of the engineering advances in the Starline, including quiet motor mounting, completely sealed motor covers and thermostatic control of the water system.
